Mean Title IV loan debt incurred by U.S. students who completed the medical program in the most recently completed calendar year	<b>\$114,500</b>
Median private education loan debt incurred by U.S. students who completed the medical program in the most recently completed calendar year	<b>0</b>
Mean institutional education loan debt incurred by U.S. students who completed the medical program in the most recently completed calendar year	<b>0</b>
Mean combined educational loan debt incurred by U.S. students who completed the medical program in the most recently completed calendar year	<b>\$114500</b>

**Calculation of the median and mean debt incurred by the US students:**

There was only 1 student using Title IV loans who has completed the General Medicine degree program in 2023. Her loan debt was therefore used as both median and mean. Our institution is not aware of any private debt she might have, and we do not offer any form of institutional loans.

**Certification of Information Required on Institution's Letterhead Stationery**

You must also include a signed certification on your institution's letterhead that includes the following information on the data being provided. Please have the appropriate designee review, sign, and date this document:

Enclosure C

*I hereby certify, to the best of my knowledge and belief that all the information provided on on-time completion rates, and mean and median debt for U.S. students is true and correct. I understand that if my institution provides false or misleading information, The U.S. Department of Education can take an administrative action to end our participation in the U.S. student loan program.*

Signature of designee

Date: 19 April 2024

**PRA Burden Statement**

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a currently valid OMB control number. The valid OMB control number for this collection is 1845-0117. Public reporting burden for this collection of information is estimated to average 16 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is required to obtain or retain a benefit, 34 CFR 668.14(b)(7). If you have comments or concerns regarding the status of your individual submission of this form, please contact the Multi-Regional and Foreign Schools Participation Division directly at 202-377-3168 or e-mail [fsa.foreign.schools.team@ed.gov](mailto:fsa.foreign.schools.team@ed.gov).
